

This form may be used to request permission to enroll in individual courses. A separate form must be used for each course request. It is strongly recommended that requests be submitted a minimum of 90 days prior to the course start date.

Once all required sections are complete, this form should be submitted to Admissions to initiate the approval process. Failure to complete all required sections may result in processing delays.

The program area responsible for course delivery may request additional information which may include any or all documentation or information that might otherwise be required for admission to a program. If permission is granted, students will receive a confirmation e-mail upon registration and an invoice from Student Accounts.

If you have any questions about individual courses or the use of this form, please contact an Enrolment Advisor at 1.877.778.6227 or learn.more@royalroads.ca.
