## Board Policy Statement

Royal Roads University is committed to developing and maintaining high standards of environmental stewardship. The University will be a global leader in environmental sustainability through innovative strategies which foster the protection and preservation of the environment.

## Philosophy

Royal Roads University offers degree programs which incorporate studies of environmental sustainability as one of their principal tenets. Royal Roads University operations must in themselves reflect the highest standards of sustainability and environmental consciousness.

## President's Responsibilities

The President will ensure that procedures, personnel and processes are in place to effect this policy.

## Information, Action and Monitoring Requirements for the Board

The President will report on progress towards the policy objectives and ensure that the Annual Plan is made available to the Board by October each year.
