Approval	Executive	Policy No	1071

This policy is applied in a manner consistent with applicable statutory and legal obligations, including university collective agreements and terms of employment.

NOTE: The most up-to-date versions of our policies are posted on the policy & procedure website. If you've printed this policy, check the website to be sure you have the current version.

All students studying in Canada, including international students, must have basic medical insurance. It is expected that all RRU students who are not actively covered by a provincial health plan will register with B.C.'s Medical Services Plan (MSP). Due to the three-month waiting period that is required for all new MSP applicants, all international students at RRU will be required to enrol in RRU's temporary health insurance program that provides basic coverage during this period.
