Royal Roads
UNIVERSITY

The Vancouver Island Ex-Cadet Club is grateful to Royal Roads University for their permission to conduct the annual Remembrance Day Service at Hatley Park. Remembrance Day services have been a tradition at this former military college site. In 1972, the RCN Class of 1946 unveiled the Memorial plinth located in the Italian Gardens. The names of those ex-cadets Killed in Action are recorded on the memorial.

The Memorial also outlines the military history of Hatley Park as follows:

1941–1947
Royal Canadian Naval College
HMCS Royal Roads

1947–1948
Joint Services College

1948–1969
Canadian Service College
Royal Roads

1969–1995
Royal Roads Military College

A new memorial plaque was unveiled in September 2022, which is “In honour of Royal Roads Ex-Cadets and Alumni who gave their lives in the military service of Canada in war or on duty during training, exercises, operations or missions.” The memorial plaque is installed in the Royal Roads Memorial Room in Grant Building. The memorial plaque has 46 names on it.

Royal Roads University remembers and honours everyone who stood strong for our country. They will never be forgotten.
