

FIFTY-SEVENTH
CONVOCATION

NOVEMBER 7
2025

Royal Roads
UNIVERSITY

Hay'sxw'qa si'em nakwilia!
Thank you, my honourable people!

Royal Roads University is located on the traditional Lands of the Lekwungen-speaking Peoples, the Songhees and Esquimalt Nations. With gratitude, we live, work and learn here where the past, present and future of Indigenous and non-Indigenous students, faculty and staff come together.

Congratulations from the President

Hello graduates, family and friends of Royal Roads University,

Fall Convocation is a meaningful time to gather on these Lands—a time marked not only by the turning of the seasons, but by reflection, celebration, and transition. Today, we honour your journey: where you have been, who you have become, and the community that has supported you in reaching this milestone.

Choosing to pursue post-secondary education was a courageous and intentional act. Today, as we celebrate the completion of this chapter, we also recognize that courage remains essential, not only as a personal virtue, but as a collective responsibility in the world we share.

Throughout your academic journey, you have built enduring connections. These relationships form a foundation of support and strength. I encourage you to continue to uplift one another. Stand up for what is right, even when it is difficult. Stand together, for there is undeniable strength in unity.

Remain steadfast. Believe in the purpose that drives you. And in moments of uncertainty, look around. The faces of your faculty, your peers, and your community are with you. You are now part of a network of approximately 37,000 Royal Roads alumni, a powerful and inspiring collective.

Stand for something: for light, for truth, for courage, for compassion, for creativity. These values live within you. They define who you are—and who we are.

The world awaits your leadership. And you are more than ready to meet it.

Congratulations!

Sincerely,

A handwritten signature in black ink, reading "P. Steenkamp". The signature is fluid and cursive, with a large, stylized "P" and "S".

Philip Steenkamp, PhD
President and Vice-Chancellor

Convocation History

Universities are rich in tradition and ceremony, and nowhere is this more apparent than at convocation, when the university community comes together to celebrate new graduates.

Many early European universities originated within the church in the medieval period, and this is reflected in convocation's strong ecclesiastical connection. The chancellor presides over convocation and takes their title from the person who was head of the theological faculty of these early universities. As head of the chancery, the chancellor was responsible for examining students prior to their receiving degrees. Over the ages, the role of the chancellor has changed. Today, the Royal Roads chancellor, who also chairs the Board

of Governors, is the person empowered by the provincial government to confer degrees and oversee the direction of the university.

Universities have undergone dramatic changes over the past 900 years. Today, as universities break down barriers of background, income and geography to welcome lifelong students to education, the convocation ceremony reminds us of the strong traditions that reach back to the very different world of medieval learning. In the 21st century, lifelong students require universities to keep pace with changing times. Royal Roads University is proud to be a leader in this new generation.

The Coat of Arms of Royal Roads University

In 1997, we were honoured to be granted a coat of arms by the Governor General of Canada. The coat of arms presented to Royal Roads University incorporates symbols of the traditions that link the university to our past and to the province of British Columbia: the sun from the province's coat of arms, the three maple leaves from the crest of the former Royal Roads Military College, and the book of learning as a reference to the voyage of academic discovery. The shield is supported by a cougar, indigenous to Vancouver Island, and Synqua, a dragon representing the Coast Salish creature of thunder, strength and power. The crown and the anchor held by the supports represent Royal Roads, the navy's anchorage off the Esquimalt Lagoon.

The motto of the university—Living Our Learning—captures the spirit and enthusiasm of our institution. Translated into Coast Salish, the motto recognizes the proud traditions of those who have come before us.

The Maces

The convocation ceremony typically begins with the arrival of two maces. The Royal Roads Military College mace is displayed in tribute to the history of the campus, and the Royal Roads University mace represents the history, academic direction and vision of the university.

The university's mace was a gift from its first graduating class, in 1997. The silver dome in the head of the mace represents the sun and the relationship of east and west. The stylized turret surrounding the dome indicates the historical significance of Hatley Castle and the former Royal Roads Military College. Three maple leaves crafted in oyster shell inset in alternating steps of the turret represent the Indigenous, French and English peoples of Canada.

Six crafted flutes surround the head of the mace. The silver band delineating the head and shaft is engraved with stylized images of water and balances the mace while effectively isolating the head from the main shaft, similar to the way Vancouver Island is isolated from the mainland.

President's Regalia

Enduring Commitment, New Traditions

Regalia traditions celebrating academic rites of passage date to the Middle Ages. The commitment to excellence and achievement endures as we accept the scholarship from mentors and teachers who came before us.

We also embrace a future where equity, diversity and inclusion are integral to all the ways in which we work, live and study.

Royal Roads University's regalia signals that future. Located on the traditional Lands of the Lekwungen-speaking Peoples, the Songhees and Esquimalt Nations who have lived here for thousands of years, the university acknowledges the learning we undertake and still have ahead to co-create an inclusive world.

Master carver and Songhees Nation Elder Dr. Clarence "Butch" Dick (YUX'WEY'LUPTON) generously created the symbols that grace our regalia. The Staqeya (Wolf) represents the Coast Salish People. It symbolizes the strength of family and kinship and embodies the power of teamwork and community effort. The Sneq'wa (Blue Heron) represents the ability to progress and evolve on a path of self-determination. Its elegance and innate wisdom allow it to manoeuvre through life with grace.

About the Artist

Dr. Clarence "Butch" Dick (YUX'WEY'LUPTON) is among Victoria's most influential Coast Salish artists. His carvings and public art can be seen around the region, from the Ogden Point breakwater mural to the *Signs of Lekwungen* interpretive walkway along Victoria's Inner Harbour, to the mural at Royal Roads University on Esquimalt Lagoon. Butch Dick has been an educator and a mentor to many, championing Indigenous youth empowerment and educational equity through more than two decades as a teacher with School District 61, four years as assistant professor in Indigenous teaching and learning at the University of Victoria and more than six years as education liaison for the Songhees Nation. He was instrumental in the launch of the Songhees Recreation and Wellness Centre in 2013 and the driving force behind the Indigenous Youth Showcase, which provides mentorship for youth to develop their own artistic vision, focus and career paths. He was inducted into the Royal Canadian Academy of Arts in 2013 and received the Victoria Leadership Lifetime Achievement Award in 2015. Butch Dick is a member of the Heron People Circle, trusted Old Ones/Elders and Traditional Knowledge Keepers, and received an honorary doctorate from Royal Roads University in 2021.

Medals

An academic medal signifies academic achievement or honours exceptional qualities like leadership, personal growth, commitment to sustainability, and positive and proactive work in equity, diversity and inclusion. These are the kinds of qualities that support Royal Roads University's vision to inspire people with courage to transform the world.

Royal Roads University awards two medals in each of our degree programs—the Founders' Award for exemplifying personal qualities relevant to the program and the Chancellor's Award for highest academic achievement. Medals are awarded at the convocation ceremony that the majority of students from a program are expected to attend, whether spring or fall.

The medals are a high-quality, heavy silver medallion embossed with the university crest on one side and the university logo on the other, ringed with the name of the award. The ribbons align with the university's colour theme and are selected to help recipients stand out among their peers when dressed in regalia.

In addition to these medals, Royal Roads has the pleasure of awarding the Governor General's Gold Medal for highest academic achievement in graduate studies, the Governor General's Silver Medal for highest academic achievement in undergraduate studies and the Lieutenant Governor's Medal for Inclusion, Democracy and Reconciliation.

Chancellor's Award

This medal recognizes one graduating student in each program per year for having achieved the highest academic performance.

Founders' Award

This medal recognizes one graduating student or small collective in each cohort who exemplifies personal qualities relevant to the program's field of study.

Royal Roads University Board of Governors

In establishing Royal Roads University through the *Royal Roads University Act* in 1995, the Province of British Columbia created a unique university with a mandate to offer applied and professional certificate, diploma and degree programs at the undergraduate and graduate levels in response to the labour market needs of British Columbia.

The government constituted Royal Roads University with unicameral governance, rather than bicameral governance. In traditional universities, a board is responsible for administrative governance and a senate is responsible for academic governance. The Royal Roads University Board of Governors carries the responsibilities of a traditional university board and senate together, and at Royal Roads, the board chair also holds the position of chancellor.
