ACADEMIC SPECIALIZATION								
<b>If you ARE doing an Internship:</b> You will complete 36 credits (typically 12 courses) in your area of focus			You will be selecting courses from at least two of the following areas: <ul style="list-style-type: none"><li>• Environmental Practice / Environmental Science</li><li>• Entrepreneurial Management</li><li>• Justice Studies</li><li>• Professional Communication</li><li>• Business and Sustainability</li></ul>					
<b>If you are NOT doing an Internship</b> You will complete 42 credits (typically 14 courses) in your area of focus								
You may choose to complete up to 12 credits at the 300/400 level at other institutions as part of your academic specialization. Courses must be approved by the Dean of the College of Interdisciplinary Studies and a Letter of Permission (LOP) must be obtained prior to signing up for the external courses.								
If you have already taken courses at the third- or fourth-year level at other institutions you may be able to transfer these courses into the academic specialization as long as these courses have not already been applied to a degree credential and as long as they are related to your program of study.
