

**Tuition Payment Estimator**
**Environmental Science - BSc**
**April 2026 - Blended**

**This Tuition Estimator is provided to students to use as an informational budgeting tool; it is not an invoice. Tuition estimates are for the entire program.**

Rates on this schedule are rounded for display purposes; a student's actual invoice will contain unrounded rate calculations.

All tuition and fees are invoiced based on individual student enrolments; any changes to enrolments, credit load, electives, or program duration may result in additional or increased fee rates.

Approved tuition and ancillary fee rates for the current year are published on the University website:

[Tuition & fees | Royal Roads University](#)

**\*Tuition and fees are reviewed annually and subject to annual increase estimated as 2% for domestic students and 5% for international students.**

All tuition and ancillary fees subject to change without notice. RRU reserves the right to correct any errors or omissions on this form.

The University is not bound by any estimated program tuition provided. In the case of discrepancy between an estimate and an invoice; the invoice will prevail.

**The schedule below is a sample of estimated course costs and ancillary fee invoices for the current academic year; this schedule is not an invoice.**

**Students should refer to their individual enrolments and emailed invoice to determine exact tuition and fees due.**

<b>Option 1: Full Payment</b>	An estimated full year amount will be calculated for each program; students choosing to pay each year in full will have the annual installment fee waived. Programs with a duration of 12 months or less will calculate a full program amount.	Months of study included in full year calculations	Domestic	International
